

# Peace Walk around the World

the  
WorldPeace  
Flame

A virtual journey of  
25,000 miles that begins  
with a single Footprint  
for Peace

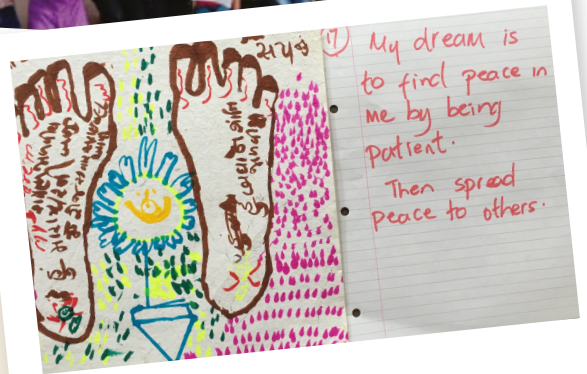

Starting on  
21 September 2020

UN International  
Day of Peace

We invite you to help create a  
global community by virtually  
walking a journey of 25,000  
miles around the world  
spreading peace and kindness.

Each pair of footprints = 10  
miles so our aim is to collect  
2,500 submissions.
